2024 Update

The Provence Series introduces an elegant petite provenzal pattern with a 2" x 4" mosaic piece that distinguishes itself from larger tile formats. Featuring four marble looks, these colors blend and coordinate with a diverse range of our wall tiles. Crafted from porcelain with an anti-slip finish, this collection offers the flexibility to serve as a wall accent or a stylish flooring option.

The Alhambra Series presents new undulated wall tiles in the growingly popular size of 2-1/2" x 8". This palette showcases four shades, created with our best-selling wall tile colors in mind. The ink jet printed shades are built to inspire the allure of the zellige color style. The distinctive, sleek, matte finish not only elevates the visual allure but also imparts a sense of sophistication.

The Chameleon Series expands the color palette with two new items available in the distinguished Mint Rose shade.
